what do you want from me. i wanted the dog that i bought from rita ,but =
as i told you she or whoever really owned the dog ,sold the dog to =
someone else in the usa. When i requested the dog be shipped by =
email,,then i receive a phone call telling me she put the dog to sleep =
because because of bad elbows. i found that strange because you would =
inform the owner before doing such a thing. she told me it was because =
she did not want to sell such a dog for my kennel, when i requested my =
money back she sent zahra in her place. my daughter found my dog on =
someone else's website rita was told about it and another lie was told =
to me. i really am tired of being lied to and do not want anymore to do =
with dogs. please leave me alone about this matter. As for as zahra =
,SHE HAS NEVER HAD pups that lived. The dog is a pet. l=20
